CHURCHILL, MANITOBA R0B 0E0 CANADA

Ultrasound / X-ray Technologist Full Time Position

June 27, 2006

The Churchill Regional Health Authority is recruiting a full time ultrasound / x-ray technologist.

Reporting to the Charge Technologist - Diagnostic Services, the Ultrasound / X-ray Technologist is responsible for the provision of ultrasound, X-ray, EKG and Holter monitor exams.

QUALIFICATIONS:

- Must be registered with the Canadian Association of Medical Radiation Technologists.
- Must be registered with the American Registry of Diagnostic Medical Sonographers (if applicable).
- Experience is an asset, but not essential.
- Must have effective written and verbal skills.
- Should possess the ability to establish and maintain effective lines of communication.
- Must be able to foster good public and effective working relationships and work cooperatively as a member of a multidisciplinary team.

This position will be subject to a Child Abuse registry and Criminal Records check

The Churchill Regional Health Authority offers excellent salary and benefit packages, including subsidized housing and relocation allowance. If you are interested in applying for this position please forward your resume including cover letter and three references to:
